

This Agreement is entered into on 10/30/14 for transfer of the Hazardous and Solid Waste Amendments (HSWA) Permit for the DuPont Chambers Work Site located at Shell Road, Route 130, Deepwater, New Jersey. This HSWA permit has an Environmental Protection Agency identification number of NJD002385730. As of February 1, 2015 this permit will be transferred from the current permittee (E.I. du Pont de Nemours and Company) to the new permittee (Chemours Company FC LLC). The current permittee and new permittee hereby agree to the transfer of the above referenced permit. The new permittee agrees to accept all permit responsibility, coverage, and liability of the permit.

Current Permittee

Michael J. Lukas
Remediation Team Manager
E.I. du Pont de Nemours and Company

New Permittee

Deana J. DiCosimo
President
